The Shirley Adler Scholarships for Young Adults

Ms Shirley Adler has generously provided a donation to assist young adults (of college age and those in their 20's and 30's) to attend the CTA conference. Funds are available for people who could not otherwise afford to attend the CTA Conference. A recipient of an Adler Scholarship will receive free conference registration. The scholarship will reimburse transportation and/or housing up to \$250. People of color are strongly encouraged to apply. If you share Call To Action's vision of a more just and inclusive church and society and are willing to connect to Call To Action through Next Generation Leadership in the future, we urge you to apply and carefully discern your financial needs.

Successful candidates will submit:
